Dr. J. Lederberg,
Dept. Genetics,
University of Wisconsin,
Madison 6, Wisconsin.

Dear Dr. Lederberg,

I have just come back from a trip to Europe and could not answer you before about that translation you want of Dr. Hartmann's paper. I have looked, but cannot find a copy anymore. The only thing I can suggest is that you write to Dave Perkins at Stanford University in California. He had a copy and may be willing to lend it to you.

Sincerely yours,

Cecilie Leuchtenberger
